

The privilege of riding a school bus is contingent upon a student's good behavior and observance of established regulations for student conduct both at bus stops and on board buses.

Students will not be left off the bus between school and home or designated drop off point without parental permission.

The driver of a school bus shall be responsible for the safety of the students on the bus, both during the ride and while students are entering or leaving the vehicle. Therefore, it is the bus driver's duty to notify the principal if any student persists in violating the established rules of conduct.

After due warnings have been given to the student and to his parents, the superintendent may withhold from the student the privilege of riding the school bus. The student also may be denied admission to school, suspended or expelled, in accordance with established policies, for flagrant violation of school bus rider conduct regulations or conduct detrimental to the safe operation of the bus.

1. Students should be on time at the bus stop.
2. Every student should help to make the buses as safe as possible.
3. Students who ride the buses should also help to keep the buses as clean as possible.
