

**JJH-R****Student (Activities/Athletic Trips)**

1. All students must travel to out-of-town activities or athletic contests in transportation provided by the district. Students must remain together and under the supervision of their sponsors or coaches. All district bus rules must be followed.
2. No student will be permitted to drive himself or transport other students to an activity or athletic contest in which he will participate, except in extreme situations where by the superintendent may approve such transportation.
3. Students must return with the fellow students or team members from out-of-town activities or athletic contests. No student will be released to anyone other than a known parent or guardian. The parent or guardian then must contact the sponsor or coach following the contest, informs the sponsor or coach that they are leaving with their son or daughter, and sign the appropriate form held with the bus driver.
4. Whenever possible, student may be picked up or released at an arranged location, particularly in Yoder, to accommodate parents and guardians.
