## **SCHOOL BOARD ELECTIONS**

Registered voters of the district elect directors to the Board of Education at regular school elections held on the Tuesday following the first Monday of November in each odd-numbered year. At every other biennial election, three directors are elected; at the other biennial election, two are elected.

The county clerk and recorder are responsible for conducting the regular biennial school election when a coordinated election is being conducted in the county. The election shall be conducted pursuant to an intergovernmental agreement between the district and the county clerk and recorder for each county in which the district has territory. The agreement shall allocate responsibilities between the county clerk and the district for the preparation and conduct of the election and shall be signed no less than 60 days prior to the election. The Board shall designate a school election official to whom some election responsibilities may be delegated pursuant to the agreement.

Candidates are nominated in the manner prescribed by law. Nomination petitions shall be filed prior to 66 days before the election. In accordance with state law, candidates for school district directors shall file a candidate affidavit with the county clerk's office and submit reports on contributions and expenditures during the campaign. Since the district includes portions of more than one county, the candidate shall file with the county clerk in his county of residence.

Any person registered as a district elector may vote. Voter qualifications are the same as those for voting in general elections, that is (1) the person must be 18 years of age; (2) a citizen of the United States; (3) a resident of the State of Colorado for 25 days; (4) a resident of the election precinct for 25 days; (5) have registered to vote at least 30 days prior to the election date.

Any decision about conducting the election by mail ballot in accordance with state law and rules promulgated by the secretary of state shall be made in conjunction with the county clerk. An implementation plan for conducting the election by mail ballot shall be submitted to the secretary of state no later than 75 days prior to the election.

If 25 days before the election, there is only one candidate for each position to be filled, the Board by resolution may instruct the designated election official to cancel the election and declare the candidates elected, pursuant to state law.
