

It is the policy of Miami-Yoder School District Jt60 that the safety of its employees and the public is of chief importance. The prevention of accidents and injuries takes precedence over expedience. In the conduct of our business, every attempt will be made to prevent accidents from occurring. Miami-Yoder School requires that its employees, as a condition of employment, comply with all applicable safety regulations as listed in the District staff handbook.

The designated safety coordinator for Miami-Yoder School is the primary contact for safety-related matters. All employees will receive an orientation to the Miami-Yoder School safety rules and policy upon initial employment, and are encouraged to bring to the attention of their immediate supervisor any unsafe conditions or practices. Supervisors will communicate these concerns to the safety coordinator, who will respond to this concern within 24 hours.

The District's safety coordinator is the Business Manager.
