

In accordance with state statutes, a teacher or licensed administrator may cancel a contract prior to the beginning of an academic year by giving written notice no later than 30 days prior to the start of the academic year, during an academic year by giving at least 30 days' written notice, or at any time by mutual agreement with the Board of Education.

A teacher or licensed administrator who fails to honor a contract, except in accordance with the statutes, shall be held responsible for the ordinary and necessary expenses incurred in securing a replacement, or for 1/12th of his or her annual salary, whichever is less. In addition, the teacher's or administrator's license may be suspended.

A teacher or licensed administrator who resigns during the term of the contract shall be paid the prorated amount of the annual salary for each day the teacher has been on duty.

The Board of Education authorizes the Superintendent of Schools to accept resignations of instructional and administrative staff, upon receipt. The Superintendent shall document the date of receipt of the resignation and inform the employee of the district's acceptance in writing. The resignation is approved at the time of the Superintendent's acceptance. An appeal of the Superintendent's acceptance may be made to the Board of Education, in writing, at the next regularly scheduled board meeting.
