## Entrance Age Requirements

A child may enter kindergarten if five years old on or before October 1 of the year of enrollment. A child who is four years old on or before October 1 the districts' start date for kindergarten and has been identified as a highly advanced gifted student in accordance with applicable state law may enroll in kindergarten, if the principal or designee determines that placement of the student in kindergarten is appropriate.

Students enrolling in the first grade may enter if they are six years old on or before October 1 of the year of enrollment. A child who is five years old on or before October 1 the districts start date for first grade and has been identified as a highly advanced gifted student in accordance with applicable state law may enroll in first grade, if the principal or designee determines that placement of the student in first grade is appropriate.

A legal birth certificate or other acceptable record shall be required for enrollment age certification. The principal or designee will make exceptions to these entrance age requirements in accordance with state law pertaining to the education of military children.
