Public's Right to Know/Freedom of Information

The Board is a public servant, and its meetings and records shall be matters of public information, subject to such restrictions as are set by federal law or regulation, by state statute or by pertinent court rulings.

The official minutes of the Board, its written policies and its financial records shall be open for inspection at the office of the superintendent by any citizen desiring to examine them during hours when the office of the superintendent is open. However, no records shall be released for inspection by the public or any unauthorized persons—either by the superintendent or any other person designated as custodian for school district records—if such disclosure would be contrary to the public interest as described in state law or otherwise prohibited by law. The district's financial information shall be posted online in accordance with the Public School Financial Transparency Act.

NOTE: State law permits school districts to charge up to \$30 per hour for staff time spent in the research and retrieval of public records after the first hour of staff time spent. C.R.S. 24-72-205(6)(a). This sample policy imposes the maximum hourly fee. Districts may choose to impose a lower hourly fee, so long as the first hour is free. The \$30 hourly fee may be increased on July 1, 2019 and by July 1 of every five year period thereafter, as determined by the director of research of the legislative council "in accordance with the United States Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Denver-Boulder- Greeley" or its successor index. C.R.S. 24-72-205(6)(b). Once determined, the director of research must post the adjusted maximum hourly fee on the state legislature's website.

The Board wishes to support the right of the people to know about the programs and services of their schools and shall make reasonable efforts to disseminate information. Each principal is authorized to use all means available to keep parents/guardians and others of that particular school's community informed about the school's program and activities. The district may charge reasonable fees for furnishing copies of such public records in accordance with the accompanying regulations.
