

KF Community Use of School Facilities

Community groups shall be permitted and encouraged to use school facilities for worthwhile purposes when such uses will not interfere with the school program. All arrangements shall be subject to the following provisions:

Eligible Organizations

Organizations connected with and promoting recognized school functions may use the buildings without charge.

Other organizations may use school property. The District reserves the right to require payment of suitable fees and costs, according to the fee schedule recommended by the superintendent and approved by the Board of Education. Rental or fees may be waived for charitable or other nonprofit organizations or groups by the Board.

Whenever a community group is permitted to use a school or other facility, at least one district employee must be on hand, paid for by the organization, when in the opinion of the Superintendent or designee it is necessary to supervise the individuals and protect school property. The number of paid employees shall depend on the type of service, number to be served and number of volunteer helpers.

Whenever a cafeteria is used, it shall be under the supervision of a school employee. The community group using the facility shall reimburse the district for the salary of the employee.

No school building or facility shall be used for any purpose which could result in picketing, rioting, disturbing the peace or damage to property or for any purpose prohibited by law.

Rental Charges and Approval of Use

Specific regulations for scheduling outside uses of school facilities shall be drawn up by the superintendent and approved by the Board. Fees for the use of school facilities and equipment shall be determined by the superintendent or designee based upon the rental charges and personnel fees approved by the Board.

All rentals of school facilities shall be approved by the superintendent or his designee on the basis of this policy and its accompanying regulations. Any special requests or exception to policy and/or regulations must be approved by the Board.

Any individual, group or organization using school property as provided under this policy shall hold the Board of Education, individual Board members and all district officers, agents and employees free and harmless from any loss, damage, liability cost or expense that may arise during or be in any way caused by such use or occupancy. When using school facilities, organizations may be required to furnish satisfactory liability insurance protection.
