

KFC**Use of School Equipment**

Equipment is available to the district through funds from local, state, and federal sources. The intended purpose of school funds is to serve the educational needs of the students of the district.

The use of school equipment, for other than school purposes, is specifically prohibited unless prior approval has been received from the superintendent and, depending upon type of equipment, may only be used under the management of persons considered qualified by the administration to use and care for such equipment.
