March 28, 2017

Hello, Friends!

Ronald McDonald House Charities of Southern Colorado (RMHCSC) is thankful for your faithfulness in continuing to collect Pop Tabs for us. The monies raised through recycling these little tabs helps us support families staying at the Ronald McDonald House, in the Ronald McDonald Family Rooms (located in Memorial's Hospital for children, St. Francis Medical Center and Children's Hospital Colorado's Outpatient Clinic), and those receiving medical and dental care from the Ronald McDonald Care Mobile. In 2016, our cornerstone programs served over 2,300 children and their families.

**Mountain of Love will culminate on EARTH DAY, Saturday, April 22<sup>nd</sup>, with our final weigh in the week prior, Monday, April 17<sup>th</sup> – Friday, April 21<sup>st</sup>, 9 am – 5 pm.** Feel free to continue bringing your pop tabs to the Ronald McDonald House (311 North Logan Avenue, Colorado Springs, CO 80909) anytime between now and Friday, April 21<sup>st</sup>. Volunteers are waiting to weigh and record your entries.

The winning school will be announced on Monday, April 24<sup>th</sup>, with an all school assembly the following week. Not only are "bragging rights" at stake, you also get a certificate to proudly display in a prominent place, and we'll promote your win via social media and with a press release.

If you have any questions, please feel free to contact me at 719.375.3871 or via email, [sam@rmhcsontherncolorado.org](mailto:sam@rmhcsontherncolorado.org).

Thanks, again, for partnering with Ronald McDonald House Charities of Southern Colorado, where, for the last 30 years, we've come alongside families of seriously and critically ill children, keeping families together. Your support means the world to us, and to the thousands of families we serve!

Sincerely,

Sam Rush-Walton

Development Director, Ronald McDonald House Charities of Southern Colorado
