3.00 Work Session

3.01 Policies

- Small Schools have until June 30, 2017 to have contracts with vendors who have information on Students. We missed the dead line to implement policies on Student Data Privacy. Any vendor who has personal identifiable information on our students must keep the information private. A name is not identifiable, but add an address and phone number, we need to keep that information private and our vendors must also.
- Second policy is if there is a breach and third is the contract for vendors.
- Contracts have to be with each district.

3.02 Term Limits

- If we want to change the length of the term, the board can do that. Term Limits are by the State of Colorado, we need to go to the voters to change the Term Limits.
- In November we will go through the policy for the vacant seat.
