

Resolution adopting the use of CARES Grant Dollars

Whereas, the Miami Yoder School District is required to comply with all Cares Grant requirements

It Is Therefore Resolved that the Miami Yoder School District Board of Education has adopted the use of the Cares Grant Dollars and will have the money spent by December 31, 2020.

David Orcutt, Board President

ATTEST:

William Hartley Board, Secretary/Treasurer

that could be used, but we are not excepting those exceptions at this time. That 45 hours is a lot for our teachers to get done by next fall. Mr. Barnes, we might lose this for a year, but I think the large districts will have a hard time getting their teachers to complete this training also.

- Mrs. Hartley, CDE has added a lot of pieces to the accountability that we have to do now for the Read Act. It is in our UIP, we have to do stuff for ESSA, Title Consolidated application, and Read applications. While we were quarantined, CDE was super busy.
- Mr. Hartley, use the money as a stipend. If the teachers can get the training done, they can split the \$10,000 as a stipend?

3.00 Work Session

3.01 Election – term limits

- Mr. Barnes; tomorrow in our newsletter, we will have information about question 5A on the ballot.
- It will give just the facts that the board members up for re-election, if they choose to run will have to go through the normal steps. They do not get to just stay on the board.

3.02 BOCES Cooperative Educational Service Contract

- Mr. Barnes, just the normal BOCES contract. We will see an IT contract and one for any students we have going to BOCES.
- You can see we get credit for all the grants that BOCES receives and it takes the invoice down to a manageable amount.

3.03 Classified Education reimbursement

- We have classified personnel working on their teacher certificate and wanted to know if they could be reimbursed for classes, I said yes. I wanted to bring this to the board to make sure we are on the same page. We have never really talked about it.
- Mr. Hartley, we have it in policy, just are we funding it or not. Mr. Barnes, I have one or two who are interested in the business office.

3.04 Read Act Grant

- Mr. Barnes. CDE has thrown a wrench in the read act for next year. My kindergarten through third teachers must complete 45 hours of training or pass a test for \$168.00 by the beginning of next school year or we will not receive Read Act Dollars. The Read Act is about \$10,000 a year. To be frank with you, it will be a tough sell to get these teachers to complete this in the next 6 to 7 months. We are not pushing this for our staff.
- Mrs. Hartley, They rolled this requirement with 45 hours of training. They also have other items you can use to cover this requirement like the praxis test, if we have other training that teachers take we could apply and do the paperwork to see if that training will work, your work study that you used for your degree. CDE did a webinar and said there were a few exceptions
